

Making Your Mind Your Mentor

With Steven Campbell

Thursdays through March 18, 2010

1:00 pm to 2:30 pm

Northbay Association of REALTORS®

131B Stony Circle, Suite 1700

Santa Rosa

We now know your brain believes everything you tell it. When you say, "I can't do that!" it believes you. But, when you say, "I *can* do that," it believes you just as quickly, and then looks for ways to help you do it. Based on 20 years of studies in cognitive psychology, Steven Campbell provides straightforward and easy-to-understand principals to show you how to think differently about the successes you want.
